

## Chapters 1-4 Quote Activity

Imagery: description that appeals to one of the five senses.

Symbolism: something – an object, place, character, or action – that stands for something else.

1. Skim your assigned chapter for a passage that shows striking imagery or symbolism.
2. In your journal write your sentence and answer the questions:
  - a. What is the context of this passage?
  - b. Why did you choose it? What makes it effective? What does it show/describe/tell?
3. Share with others who have the same chapter. Make comments on other's sentences.
4. Choose the best sentence of the group. Create a poster (see example below).
