

English III
The Great Gatsby
Soundtrack Project

For EACH CHAPTER of *The Great Gatsby*, choose a song whose lyrics represent that chapter. Maybe the words of the song remind you of some event in the chapter or of one of the characters who is introduced in that chapter, or maybe the mood of the song matches the mood of the chapter.

At the top of a sheet of paper, write or type the chapter number, the name of the song, and the performer. Then write or type the complete song lyrics. **NO PROFANITY.**

On the next sheet of paper, again write or type the chapter number, the name of the song, and the performer. Then write or type EIGHT-TEN SENTENCES explaining in detail why you chose the song you did. This is an important part of your grade!

Since *Gatsby* has nine chapters, you will have eighteen sheets of paper in all.

You must have a cover sheet that gives your name, the information in bold at the top of this page, and the date. **FOR A BONUS TEN POINTS**, you may illustrate your cover page with images appropriate to *Gatsby* in some creative fashion.

THIS PROJECT IS WORTH TWO 100-POINT MAJOR GRADES.
